MONDI

Caribbean Cuisine

Mondi is a Caribbean hospitality brand that celebrates the Caribbean ethos, cuisine, and ambiance. Put simply, Mondi is the fastest way for you to teleport to a Caribbean Island. Once you set foot in the restaurant, you will experience a place where food, culture, soul, and music join together. Since its opening in 2019, Mondi South -located at The College Hotel Amsterdam- has put an oasis of Caribbean flavours on the map. Mondi has done so in a way that the Netherlands have never experienced before. Besides our food, recurring events -such as Caribbean nights, Juni Juliet den Mondi, 25+ and many more- have proved to be a great success. Mondi is grateful to bring this culture to a nation that shares a great deal of history with the Caribbean.

FAWAKA

Dushi

What does 'Fawaka Dushi' mean? Fawaka means: "how's it going" in Surinam. In Papiamentu -the native language of Curaçao - "Dushi" has a variety of meanings, such as: sweetheart, tasty, or good.

Why the phrase? Well, the Mondi founders, Justin Niessen, and Mariska Nunes, both originate from Curaçao and Surinam. They combined ideas, cultures, and cuisine to create the concept Mondi. So, why not combine these sayings as well?
