

MONDI CARIBBEAN CUISINE

Mondi is a hospitality concept that embodies the warmth, flavor, and rhythm of the Caribbean. At our newest location in Livingstone, we introduce a surprising twist: the elegance of Italian cuisine infused with the vibrant soul of the Caribbean.

From the moment you walk in, you'll be immersed in a world where food, music, culture, and atmosphere come together. Since the opening of Mondi South at The College Hotel Amsterdam in 2019, Mondi has grown into a beloved experience that brings Caribbean hospitality to life in a way the Netherlands had never known before.

Today, Mondi has expanded with Mondi New West in Amsterdam, Mondi Skybar in Badhoevedorp, and Mondi City Beach Club in Otrobanda, Curaçao. Each location reflects our mission: to share the richness of Caribbean culture through food, ambiance, and unforgettable moments.

With Mondi Jan Thiel at Livingstone, we proudly merge two sunny worlds – Italian classics and Caribbean flair – into one unique and vibrant dining experience.

FAWAKA DUSHI

What does 'Fawaka Dushi' mean? Fawaka means: "how's it going" in Surinam. In Papiamentu - the native language of Curaçao - "Dushi" has a variety of meanings, such as: sweetheart, tasty, or good.

Why the phrase? Well, the Mondi founders, Justin Niessen, and Mariska Nunes, both originate from Curaçao and Surinam. They combined ideas, cultures, and cuisine to create the concept Mondi. So, why not combine these sayings as well?
